

Testimonial from Rob Flint – Yr 7 Camp Co-ordinator- Chenderit School

“In an economic and social climate which seems to actively encourage teachers not to take on the responsibilities of residential courses; High Adventure stands out as a company who actively assist in every area which is required for a safe, fun and fulfilling trip.

Run by ex-teachers, they offered the support that I needed to take on the immense task of taking 155 year 7 students and a team of 17 staff on a week long residential, under canvas.

All I can really say is the most difficult part was getting the students here in the first place – and High Adventure assisted even in that, supplying risk assessments and helpful guides. Once at Kibblestone we experienced a first rate service catered exactly to my needs as the trip co-ordinator.

If you are looking to set up a life changing experience for your students you should look no further!

High Adventure have the framework you need as a teacher to take the plunge and offer a residential”
